THE ADVANTAGES OF

PORCELAIN PAVERS

BEAUTY. DURABILITY. A SMARTER CHOICE
FOR OUTDOOR LIVING.

Porcelain pavers combine sophisticated design with outstanding performance, making them the ideal choice for pool decks, driveways, patios, walkways and outdoor living spaces.

DESIGNED
FOR A BETTER
TOMORROW

LOW WATER ABSORPTION

Extremely low water absorption, ideal for Florida's climate and pool areas.

STAIN RESISTANT

Resists stains from food, drinks, oils, leaves and everyday outdoor use.

COLOR STABILITY

Maintains its beauty under sunlight and outdoor exposure without fading.

EASY MAINTENANCE

Simple to clean and requires minimal routine maintenance.

DURABLE & LONG-LASTING

Engineered to withstand demanding exterior applications when properly selected and installed.

SLIP-RESISTANT SURFACE

Textured surfaces designed for better traction, making them an excellent option around pools and wet areas.

VERSATILE DESIGN

Available in a wide variety of stone, marble, concrete and wood-inspired finishes for modern or traditional outdoor spaces.

2CM & 3CM OPTIONS

Different thicknesses and formats for pool decks, patios and properly designed driveway applications.

TIMELESS
